ASSEMBLY INSTRUCTIONS

1005-1024 SCREEN DRAIN PLATE ASSEMBLY

July 2011

The 1005-1024 Screen Drain Plate incorporates a stainless steel backup screen and nylon outflow tube. Two (2) outflow tubes are supplied with each new Screen Drain Plate.

To assemble, the Outflow Tube into the Screen Drain Plate, simply push the Outflow Tube into the O-Ring Retainer Seal in the base of the Screen Drain Plate as show below. In the event of damage to Outflow Tubes, or you wish to use a longer Outflow Tube, you can use our standard Nylon Tubing, MYT003, 1/8" O.D. x 1/64" wall.
